

HERITAGE FEST – SEPTEMBER 9, 2018 12:00–5:00

Keeping true to our heritage and mission of preservation and education, demonstrations of steam-powered antique threshing machines and 1920-30s harvesting techniques will be held throughout the day.

Throughout the farm, guests are invited to participate in cooking in the farm's kitchen using herbs and foods from the Heritage Garden. Small farm animals will be hanging out at the farm so folks can get a close up look, get to know them and pet the different animals. They can also try their hand at woodworking, weaving, knitting, spinning, cider making, and many other crafts.

House tours, horse-drawn wagon rides, scavenger hunts and yard games will be going on all day so bring the whole family!

Musical entertainment in the 100-yearold Schumacher Barn will be enjoyed by guests as they reminisce of days gone by.

Old fashioned Pie Eating Contests and Cake walks will be taking place during the event.

Several volunteers are needed for this event! If you are interested in volunteering, please visit our Heritage Fest Volunteer Sign-Up Page [Here](#).

In addition to our typical volunteer needs, we are looking for volunteers to bake and donate a cake for the Cake Walk! Cakes would need to be dropped off at the farm the morning of the event or the day before. Cakes should not contain whipped cream or anything that would require refrigeration. If you would like to show off your cake baking skills, please contact our event coordinator to let her know that you will be donating a cake.
